

2023-2024

**ONPARA**  
**Junior Provincial**  
**Donor/ Sponsorship Package**

The Team Ontario Junior Provincial Wheelchair Basketball Program provides high performance training & competition opportunities for the province's Junior-age athletes.

The program operates on a four-year competition cycle leading up to the Canada Winter Games in the final year of the quadrennial. A regional or national level competition is held at the end of each season in Year 1-3 of the cycle.

Athletes will have the opportunity to try out for Team Ontario at the beginning of every season from Year 1-3 in order to be selected to represent Ontario at the season's regional/national championships. Year 4 tryouts will be by invite only. Tryout details & selection criteria will be made available online and will be communicated to club coaches and athletes prior to selection camps.

The Junior Provincial Program is led by a knowledgeable, qualified, enthusiastic, and dedicated coaching staff tasked with overseeing athlete development and program growth.

Head Coach: Kathy Ludwig

Assistant Coach: Josh Davies

Assistant Coach: Andrea Foessel

Assistant Coach: Shayne Sharkey
